Report from Salem Local Meeting on Ministry
and Oversight. Yearly Meeting 1914

Salem reports a more encouraging condition than a month or two ago. A permanent place of meeting for the winter months has been found in the Grand Army Hall. Tis is more conveniently located than the chapel where they were previously meeting and the attendance has increased. On one Sunday morning thirty were present and on another twenty-two. The increase of interest in the Christian Endeavor has been marked and new voices are being heard. The week night prayermeetings are held around in different homes and are very helpful and well attended. The Sunday School is particularly feeling the need of supplies. Rally Day was observed and peace exercises were held on the first Sunday of this month.

Lynn reports that although the spiritual condition of the meeting is below what it should be there is a deepening of spiritual life on the part of some. The ministry is sound and helpful More care is needed in the attendance of public worship. The average attendance at morning meeting for the last two months has been fifty-four, evening meeting twelve and Christian Endeavor ten. The Bible School has opened hopefully this fall and with a new Superintendent has begun to grow.

A growth in interest and numbers in all departments of the work at East Lynn is reported. The place of meditation and prayer in the morning meeting has been given a greater emphasis and a more reverent and worshipful atmosphere has resulted. The Christian Endeavor has been changed to a week day night and this

meeting is made strongly evangelistic in its nature. The mid-week meeting is a prayer and testimony meeting combined with a teachers' meeting. A Woman's Guild has been formed to include all forms of women's activities, and an organization of Camp Fire Boys has been started.

Reports — Lynn. The spiritual life of Lynn meeting seems good, though a greater expression of spiritual experience would seem desirable. There is a splendid spirit of harmony and co-operation. The average attendance for the past three months has been 63 which

is practically the same as last year. One outstanding event was the acceptance as associate members of four boys and four girls, which gives an opportunity and a responsibility to the older members of the meeting.

East Lynn — We have held meetings at Eastern Ave Sunday morning & evening and Fridays with the following average for the past quarter — morning 7. evening 40-50. Fridays 16 The morning service is truly a Friends service. We sometimes have a pastor and often the meetings are led by different members. We know that the Lord has blessed us in these services. The prayer meeting on Friday evening is also usually led by members. Once a month the prayer meeting is held in connection with the Monthly Meeting at which time place the Mo. Mtg is held.

The attendance at the Sunday evening service has averaged between 40 and 50. On Children Day June 1st a concert was held with about

one hundred pounds.

On June 24th a union service was held at Silver Street in the morning with a lunch served at noon and a service in the afternoon, and one at Easton Ave in the evening at which the attendance was 67. We were privileged to have Mary Miss Harold on this day and can say she gave us a fine message.

The Lord has blessed us in finances also, money being raised for repairs on the meeting house and we have pledged $136.10 to the United Budget. The offerings are good, which shows an interest in the work.
